

OAME YOUTH ENTREPRENEURSHIP PROGRAM MISSION

To promote youth entrepreneurship statewide by providing training and experience to minority youth with the support and mentorship of businesses in Oregon & SW Washington. The program aims to promote youth entrepreneurship.

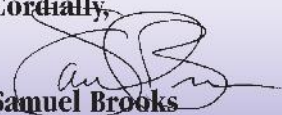

Giving is one of the greatest pleasures of life. When considering what kind of gift to give, please consider making a contribution that will benefit tomorrow's leaders in our community. Youth will lead us tomorrow whether we like it or not. All they have to do is just keep on living.

Make a difference in tomorrow's leaders and you will make every community a better community.

The Youth Entrepreneurship Program at OAME has educated hundreds of Portland's youth on becoming entrepreneurs and overcoming obstacles that stood between them and their personal success goals.

Whether you can give \$100 or \$5,000.00 your gift will go a long way in making a positive difference in the lives of youth in this community.

Cordially,

Samuel Brooks

Founder and Chair of the Board

OAME's Youth Entrepreneurship Conference, one of the programs we do that provide entrepreneurial training to youth between 14 to 21 years old. The conference's program coaches and mentors assist in training on how to start and run a business.

The Youth Entrepreneurship Conference Program offers:

- Intensive training in business and entrepreneurship
- Business practices and discussions
- How to start and manage a business
- Basics of personal and business financing
- Basics of marketing and sales
- Games, contests, prizes and more

YES, I would like to support OAME's Youth Entrepreneurship Program and help our youth fulfill their visions and educating them on the value of entrepreneurship and giving back to the community.
